

Bounty campaign

EcoStart Bounty Campaign

Campaign period runs from April 12nd, 2018, to the end of the ICO or once the bounty budget is finished.

Please note that people from the following regions cannot participate in EcoStart Bounty Campaign: United States of America, People's Republic of China (except for Hong Kong, Macau and Taiwan), South Korea, Cuba, Iran, North Korea, Syria.

We're growing our EcoStart community! Help us spread the word about our goals, achievements and future development by participating in our bounty program. It works like this. You help us by talking about EcoStart on social media, writing and sharing an article about our platform on your blog, or translating content from our Whitepaper, ICO website, and videos. In return for expanding the EcoStart community, you'll earn TET tokens.

The bounty program budget is approximately 4 million TET tokens - or 2.0 % of distributed tokens.

There are six ways to engage and reap rewards, with the bounty budget divided thus: The tokens will be distributed in 9 campaigns as follows:

- Bitcointalk.org signature campaign and referral program (25%):
— 1 000 000 TET;
- Content (blogs and media publications): 15% — 600 000 TET;
- Twitter Bounty: 15% — 600 000 TET;
- Reddit and Facebook Bounty: 12% — 480 000 TET;
- Translation Bounty: 7% — 280 000 TET;
- H. LinkedIn Bounty: 8% — 520 000 TET;
- Telegram Bounty: 14% — 580 000 TET;
- Button: 2% — 80 000 TET;
- Become a Friend: 2% — 80 000 TET.

General rules

All bounty program announcements will be released on our Telegram bounty group.

1. The Bounty program starts on the September 18, 2018 and ends at the same time the EcoStart token contribution event finishes on November 29, 2018.
2. To participate in the bounty program, you must be at least 18 years old.
3. To be added to the bounty program visit our Telegram group and message _____.
4. Rewards for each campaign have a cap and once that cap is reached, rewards will no longer be processed or awarded.
5. Each user can only participate with one account per campaign. Users with double-registrations or duplicate accounts (except the initial one) will be permanently banned from the program.

6. All campaigns will be counted weekly.
7. All rewards for bounty activities will be TET tokens.
8. If you are disqualified for any reason, you will NOT receive any bounty rewards.
9. The EcoStart team will reserve the right to change any rules, or make any changes, if necessary
10. For technical support during the bounty campaign, please contact us via our Telegram bounty group and message [Telegram](#)
11. All tokens will be allocated to your Ethereum wallet within 6 weeks of the TET token contribution event end date.

Translation bounty

Reward

We're also looking for foreign language translations to help us spread the word about EcoStart to every corner of the planet. The following languages are welcome to be translated: Chinese , English , Korean , Japanese, Vietnamese, Spanish, Indonesian, Romanian, French, German, Malaysian, Swedish, Hindi.

High quality translations only – copy created with Google Translate will not suffice. Here are the incentives:

Translation Category	Translation	Proofreading
The ICO website	3 500	1 000

Whitepaper	7 500	2 500
Translate our video subtitles	500	150
Ann Thread	500	150
YouTube Video Caption	500	150
Bounty Thread	500	150

To offer your translation services, fill in the [form](#) and we'll be in touch.
TET will be allocated as follows

Conditions

1. Translations must be original and made by the user only. Using Google Translate and other tools is strictly prohibited and will lead to disqualification.
2. Only constructive posts are counted. Spam and unnecessary posts won't be counted. Spammers will be disqualified.
3. There will be only ONE translation at a time per person. Applications for multiple translations/ languages will not be accepted
4. Translators can take 5 days to submit the translation. Taking more than 5 days will disqualify you and the job will then be granted to another candidate. Translators are required to take up to 5 days to submit their translations, any later submission will be disqualified immediately and the task will be granted to the next available candidate.
5. Newbies i.e. users with no previous experience of translation will not be accepted. Always make sure to post your previous translation work for approval first and wait until your request being confirmed on the spreadsheet to begin with your translation work.
6. Each finished translation will need a volunteer reviewer to look over the work and the person will earn 30% of how much that translation gets rewarded; If too much miTET found in the paper, partially TET will be retrieved from translator accordingly.
7. If you have any questions related to translation bounty, please contact [Telegram](#).
8. The number of your TET is displayed in this [spreadsheet](#). Adding extra column for rewards to the reviewer
